## ADDRESS

Center for International Cooperation  
Warsaw University of Technology  
pl. Politechniki 1  
00-661 Warsaw, Poland

# ENHANCE CONVERSATIONS

## **VANESSA DEBIAIS-SAINTON**

Head of Higher Education Policies at the European Commission (DG EAC), overseeing European Universities alliances, the European Student Card, and micro-credentials. Formerly in DG Research & Innovation and industry, shaping EU higher education policy.

## **RAFAL BUGY, PHD**

CEO & Managing Director of TRUMPF Hüttinger, producing power systems and plasma generators. PhD in electrical engineering, co-founder of the company, leading international operations and industry-academia collaboration.

## **SANDRA ANDRASZEWICZ, PHD**

PD Dr. Sandra Andraszewicz is a behavioural and cognitive scientist studying decision-making and resilience in technology-driven settings. She collaborates internationally and founded SAGT to support student development in Poland.

## **LUKASZ GOLOTA, PHD**

Deputy Director at NAWA. PhD in social sciences, experienced in international academic cooperation, leading projects to internationalize Polish higher education.

## **MODERATOR**

## **DAMIAN KWIEK**

Damian Kwiek is a communications and media professional at WUT, with experience in journalism, radio, and podcasting. He produces media content on technology and industry and moderates panels connecting academia, industry, and society.

# SUMMIT AGENDA

## LOCATIONS

The main event will take place at two locations:

### Main Building

Main Building of Warsaw University of Technology | pl. Politechniki 1

### Rektorska4

Rektorska4 Building | ul. Rektorska 4

Both buildings are located within a very short distance. The **walk takes around 5 minutes** and leads along along Nowowiejska Street, passing through the university campus area.
